

PIE (Partners in Education) is an organization for parents, guardians, teachers and staff who are interested in planning and participating in events that help Oconto Falls Elementary School to be a great place for our children. PIE meets each month during the school year on the second Tuesday. Parents and educators are welcome to join our monthly meetings. We are always looking for more active members to come to our meetings and contribute their insights and ideas. **Come be a piece of the PIE!** Our meetings are **always the 2nd Tuesday of the month in the OFES Library at 6:00pm.** We will discuss upcoming events and ways in which PIE can make a positive impact on the quality of our children's experience at our school. Attendees are under no obligation to volunteer. Children may attend, if necessary.
