

## **2018 Summer School Cancellation List**

The following classes are the only classes that are being cancelled for summer school 2018 at this point in time. If your child is in one of these classes we will remove them from the roster and if payment has already been made a credit will remain on their account until either another class is chosen or until the end of summer when it will be credited to their lunch account.

Registration will remain open for all other classes until the Monday of the week prior to it's running.
