

**SEVENTH GRADE SUPPLY LIST
WASHINGTON MIDDLE SCHOOL
OCONTO FALLS, WI
2021-2022**

Dear Incoming Seventh Graders & Parents/Guardians:

We are looking forward to seeing each of you this fall and hope that it will be a good year. The seventh grade teachers believe that students should take responsibility for completing their work and turning it in on time. Students are expected to compile a list of homework in their agendas and to keep their agendas intact for the entire year. You can check their agendas and Google Classroom to make sure that all of their work is complete for the next day. Homework assignments are also posted on the school district web page daily. Please purchase only the supplies listed below. Teachers will help students organize for their classes the first week of school.
