

SCRIP/GIFT Cards information

Hello, Scrip will look different this year. I am only doing one holiday order. The order will be due on **December 2nd** and will be delivered no later than **December 16th.** I am also including the “Holiday gift card order form for teachers for Christmas made easy.” All information about scrip is on the OFES website if you are not familiar with it. So make sure you are thinking about all the holidays, birthdays, and special occasions that you need to order cards for the upcoming year.

My Huterra program/fundraiser

Remember that this program is an ongoing fundraiser for our school to keep improving our playground equipment. All information about the Huterra program is on the OFES website if you are not familiar with it. It is a simple program that you just need to scan your receipts or send them to school and I will scan them into the app.
